

SAINT MARY COPTIC ORTHODOX CHURCH

4110 204TH ST SW, LYNNWOOD, WA 98036 (SEATTLE)

ENGLISH LANGUAGE COURSES

Why would you stay content with your English proficiency?

Learning English is of utmost importance if you are planning to succeed in the United States.

Starting on November 22nd the church is providing classes on Sundays after the holy liturgy

to help the congregation learn/improve their English to help you achieve:

- | | |
|-----------------------------------|------------------------------------|
| <i>1. Better communication</i> | <i>2. Employment opportunities</i> |
| <i>3. Community participation</i> | <i>4. Education opportunities</i> |

ENG. 100

1. Improve your sentence structure
2. Work on your pronunciation. Remember if you have arrived in the US after puberty you will probably always have some foreign accent.
3. Start using common American expressions and idioms accurately.

ENG. 101

1. Work on our pronunciation more intensively using word drills and taped formats.
2. Vocabulary enhancement through reading and comprehension of short reading assignments.
3. Start writing essays and papers.

ENG. 102

1. Read a short book together with questions and answers on comprehension.
2. Write short essays on some of the topics of interest in the book.
3. Compose a well-planned project paper for your final assignment.

Note:

- A) The US Citizenship Classes are offered at the start of each class.
- B) Beginner classes are still being offered in the three levels.
- C) Come let us help you function at your best in the United States. English is the key to success.

Your teachers are highly qualified who have taught for many years in Egypt and at the University of Washington.

TOEFL PREPARATION

Passing the TOEFL test is required if you wish to apply to a college!
Classes are still being offered during the week.
Come and let us help you with the first step to your academic career!
